JESSE M. FURMAN, United States District Judge:

As discussed on the record during today's conference, the parties are instructed to confer and submit no later than **5:00 p.m. on December 21, 2020**, revised papers seeking preliminary approval of a proposed class action settlement, including revisions to the proposed settlement and notice. If the parties are unable to reach agreement by then, they shall file by the same deadline a joint letter explaining the status of their negotiations and — if appropriate — proposing next steps. The Court reserves judgment on Plaintiffs' motion for preliminary approval of the class and collective action settlement. *See* ECF No. 75.

SO ORDERED.
